

APPRAISER TRAINING

2 Continuing Education Credits

Northern Nevada
Branch Chapter

March 20, 2019

Refreshments & Registration - 12:30pm

Class from 1:00pm - 3:00pm

Innovation Center - Reno Training Room

450 Sinclair St.

Reno, NV 89501

“High Performance Homes - The Value Proposition”

- Differentiate new construction from resale homes.
- Advancements in building and energy codes
- High Performance Homes, Cost/Sq. ft vs. Price/Sq. ft
- How building science will help you identify quality
- Consumer buying trends & data
- Green & Energy efficiency programs, homebuilder designations & house certifications
- PV solar & renewable energy
- Documentation & verification of energy efficiency

Learn how to identify and value energy efficient homes correctly.

Class taught by nationally recognized building science expert and sales trainer Todd Gamboa, President of Building Trust LLC.

BUILDING TRUST, LLC
Building Science and Sales Consultants

Vendors and Sponsors of the *High Performance Homes—The Value Proposition* may request contact information of the seminar's registered attendees. If you do not wish to have your information shared with a vendor or sponsor, please contact Tina Anderson at tina@ainevada.org.

This Educational Program (Program) was developed by an outside party. The Appraisal Institute Chapter made arrangements for the Third-Party to offer the Program with the intent of addressing topic(s) based on a certain chapter or local need for such topic, solely for educational and informational purposes. The Appraisal Institute national organization was not involved in developing or organizing the Program and does not endorse the Program or its content.

The content of this Program, including but not limited to any written materials and presenter comments, does not represent the viewpoint of the Appraisal Institute (defined as including but not limited to, the national organization, its Regions, Chapters, members, candidates, affiliates and staff) unless formally adopted by the national Board of Directors. Further, the Appraisal Institute has not peer-reviewed or approved the content of the Program and does not warrant the accuracy or timeliness of the content of the Program. The Appraisal Institute does not publish examination review materials. The content of the Program is subject to court decisions and local, state and federal laws and regulations and any such revisions of such laws and regulations.

This Program is presented with the understanding that the Appraisal Institute is not engaged in rendering legal, accounting or other professional advice or services. Nothing in the Program is to be construed as the offering of such advice or services. If expert advice or services are required, attendees and readers are responsible for obtaining such advice or services from appropriate professionals.
